PURPOSE - (Why We Do What We Do?)

Children are the church of today and the leaders of tomorrow. We train up our children in the way they need to go so they will not depart from the way when they are old.

VISION - (What We Do)

Setup an infrastructure for Children's Ministers and leaders across South Africa in the IAG. Training leaders and measuring the success of the programmes. Exposing and when possible providing materials for local children's ministers and leaders. Organising national events that enables the children's ministers/leaders to continue reaching more children in their communities.

MISSION - (How To)

"Growing to keep-sending to reap!"

VALUES

- Every Child is special
- God's word is our foundation
- Children are important in themselves
- Make a Difference
- Integrity
